CAMHS Specialist Community Advisers

**Mental Health Support
For Professionals
Working with Children
and Young People**

Who are we?

CAMHS Specialist Community Advisers are a team of Qualified professionals who are all experienced in working in the field of child and adolescent mental health.

We are from a range of professional backgrounds including nursing and social work.

We are located within a range of community bases in the High Peak and Dales and in Chesterfield and North East Derbyshire.

We are able to work flexibly in terms of time and location to meet the needs of the local area.

What are our aims?

The key aims of the service is to provide support and advice to Practitioners who are concerned about the mental health of a child or young person.

We aim to:

Work alongside first contact agencies in Health, Education, Social Services and the Voluntary Sector to strengthen mental health services for children and Adolescents.

Support and empower professionals to extend their range of skills and knowledge in mental health issues.

Enhance the current early, preventative and mental health promotion projects and services.

What do we offer?

Confidential consultation, advice and support on child and Adolescent mental health issues.

Access to the Early Intervention Community Triage a multi agency weekly meeting aimed at identifying the most appropriate support service for a child or young person who is exhibiting non urgent mental health or emotional difficulties

Attendance at Multi agency and Professionals Meetings where mental health concerns are being questioned.

Training in child and adolescent mental health issues to promote the positive mental health of children and young people.
